

SLIDING DOOR

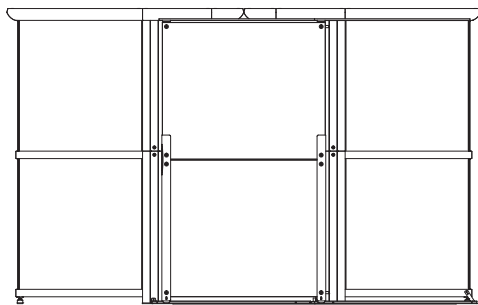

PLAZA (PA)

The sliding door set for the smoking cabin Plaza ensures that the surrounding area remains free from annoying smoke and smells. It accommodates both the need for an enclosed smoking area as well as additional comfort for non-smokers. The sliding door PA is especially developed for the public area smoking cabins. Branding of the sliding door with the Smoke 'n Go logo and opening direction enhance safety. Full length door frames for even more stability. Optional the sliding door is mounted with the self-closing mechanism and/or a doorstep.
